

LAKE MERRITT UNITED METHODIST CHURCH

ACCESS ROUTES FOR THE OAKLAND MARATHON

SUNDAY, MARCH 17, 2024

EXPECT DELAYS BETWEEN 6:00 AM to 9:30 AM

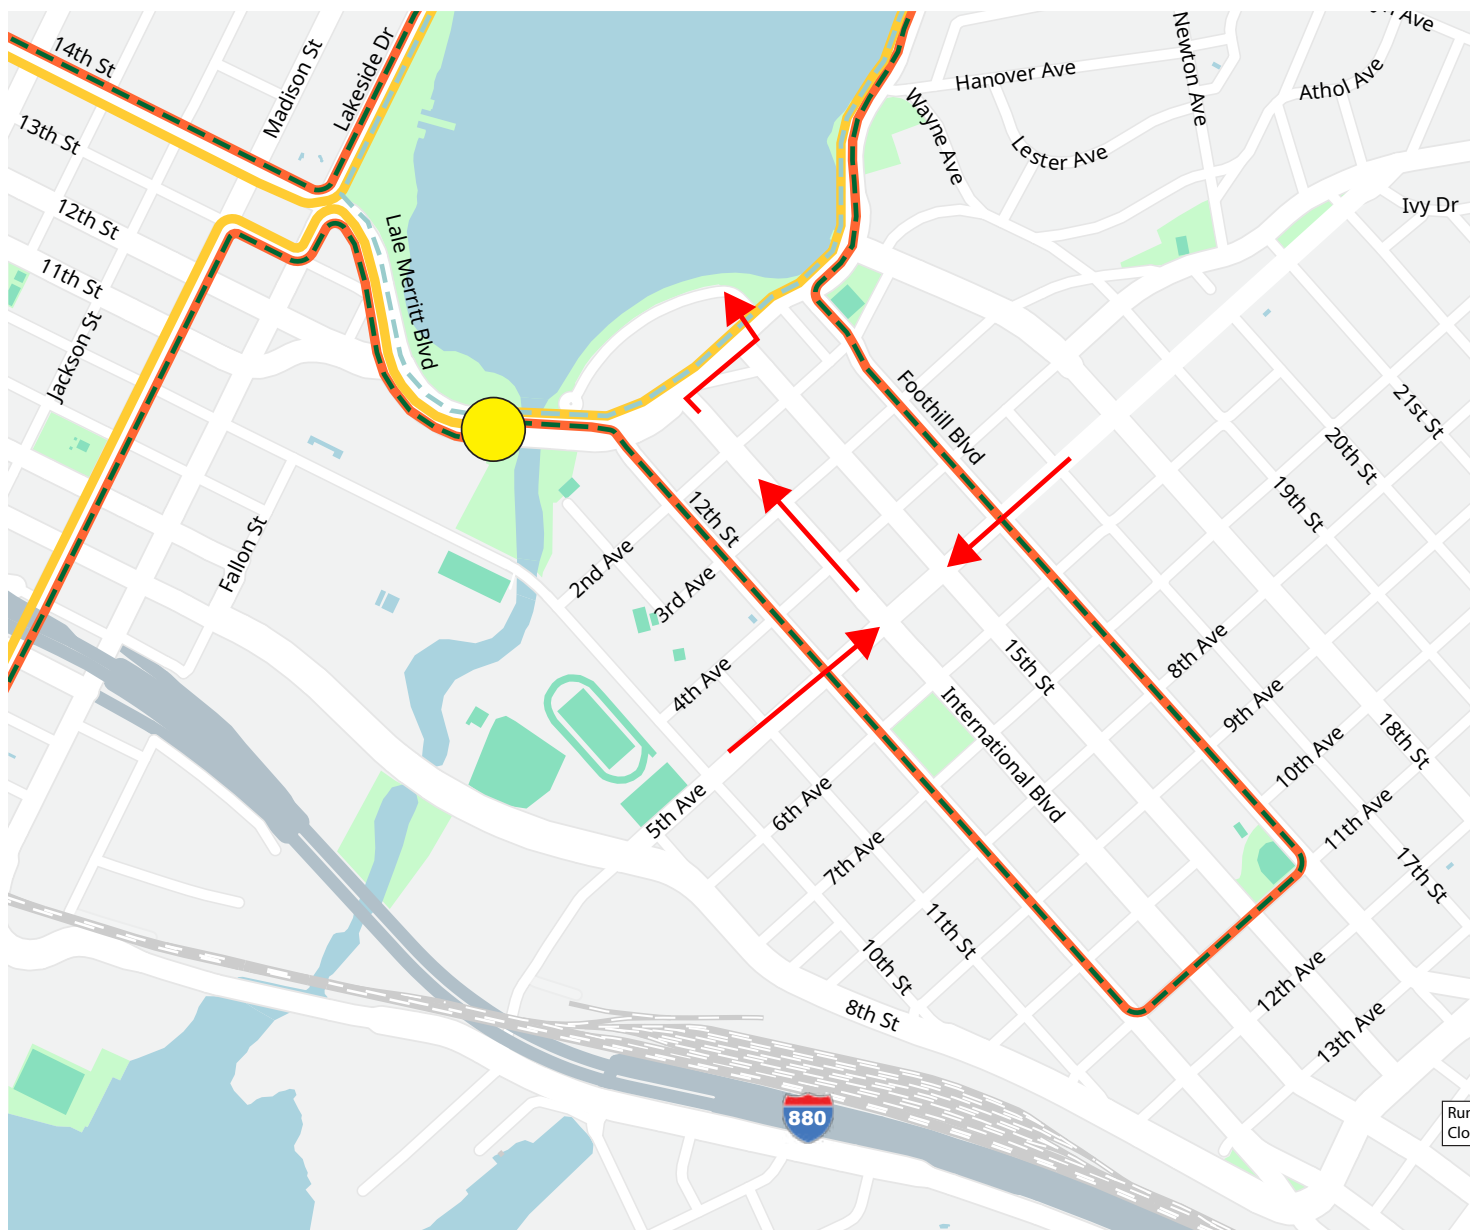

Church access during the Oakland Marathon will be available from the intersection of International Blvd and 1st Ave. Between the hours of 6:00 AM to 8:00 AM, vehicles should access International Blvd by crossing the route at 5th Ave. Vehicles will be directed to cross the route on 1st Ave when gaps in runners allow. In order to reduce wait times, it is highly suggested that parishioners arrive within the following times during the road closures.

- 6:00 AM to 6:45 AM
- 7:15 AM to 8:15 AM
- 9:15 AM and onward

While longer delays should be expected outside of the windows listed above, Race Staff will do their best to usher in vehicles throughout the closures as safety permits. While closures in the area may remain in place until 10:00 AM, unimpeded access to the Church across 1st Ave will be available by 9:30 AM.

Oakland Marathon Access Information Sunday, March 17, 2024 6am — 9:30am

The annual Oakland Marathon may affect our access to church on Sunday, March 17th between 6am and 9:30am. The race should be finished on our portion of the route between 9:30 and 10am.

If you arrive while street closures are still in effect, this yellow information sheet has been approved by the Oakland Police Dept. and may be shown to either an Oakland police officer or a marathon volunteer to verify that you are a church member or staff. They will let you through as safety permits.

You may also park outside the race perimeter and walk to church. No matter how you plan to travel, please allow extra time and carry the yellow pass with you.

The map below shows the complete race route. See the other side for more detailed information.
