With grateful hearts for a life filled with love, generosity, and faith, we invite you to a Celebration of Life for Judith Anne (Lingo) Fabrizio.

Together we will honor Judi's beautiful spirit, give thanks for her life among us, and celebrate her transition into God's warm embrace. A reception will follow the service, all are welcome to stay, share stories, and support the family.

For those unable to attend in person, a live ZOOM option will be available; details will be shared closer to the date.

In lieu of flowers for her memorial, Judi has requested that you give donations to Lake Merritt United Methodist Church's outreach and building maintenance programs, as a way of honoring her time and commitment to this wonderful community.
