

Ballot Walk Through Party

Sunday, October 25 | After Worship

Bring your questions. Read, reflect, and prepare to vote together.

Does your ballot feel long or confusing? You're not alone! Join us at Lake Merritt UMC after worship for an informal Ballot Walk Through Party—a welcoming space to read, reflect, and prepare to vote together.

Bring your mail ballot, or use a blank sample ballot to make notes as we walk through the proposition information.

Sharing this time in community can make voting feel more manageable—and even joyful.

THIS GATHERING IS NONPARTISAN.

No one will be told how to vote. Each person will make their own choices and complete their ballot privately, or mark a sample ballot to take home.

Come as you are, bring your questions, and get ready to make your voices heard through your vote.
